Amen StarofGod Amen. I listened to zac poonen this morning and as usual it was so edifying. His exhortation & encouragement to be like little children (not childish) was such a good word for us to enter into 2011. To hold onto the Father's hand, to say after asking, Your will be done Father. Holy Spirit, help me, us, to be like little children. Convict us when we are not and bring us to humble ourselves and not be such know it all's. Thank You for your patience with me, with us and for your guidance. Keeping us on the straight and narrow. We are just passing through this life and soon will be with You for Eternity. Help keep our eyes on Jesus. Amen and amen.

Amen sister Joyful. I have yet to listen to the message from this morning. But I am very much looking forward to it, when I have time! :)

Bless you in the power of His name.
