Tomorrow I am preaching on the Gospel of Jesus Christ at my church for the first time preaching. Many friends and family our coming possibly 10 to 15 people, please pray for their salvation and that the Lord will just speak to them and through me. I really need strength from the Lord to speak through me.

Be yourself, be transparent, with weakness and smallness, and glorify Jesus as a BIG God!

I'm so happy to hear your doing well....

Without the blood and bunches of mercy from Jesus, we would all be goners.

"Marvel not that I say unto you. you must be born again!"

"His grace is sufficient."

I too will pray and agree with all for prepared hearts to receive all that the Lord has for them and that when you speak, He will give you the words. And I say All glory to God! He will equip you.

How did it go??

Re: - posted by bible4life (), on: 2011/1/2 16:30

It went really well thank you for the prayers. Was very calm and I got through the gospel in full, the nature of God, nature of man and his condemnation and to what happened on the cross and what it did for believers. Here is the link for about 5 minutes of it.

Please keep those in prayer that were their listening that God would increase the seed sown in their heart and that God would convict them and bring them into repentance. Please pray for my church I think in a sense our church it is limiting ourselves in our closeness to God. Not my pastor, but others in the church think for an example that our sermons are not suppose to run past twelve pm and that they should not be longer than 25 minutes. I had a lady from our church tell me the only thing I have to do is make sure I finish the sermon on time next time, I was about 15 minutes over. That was kind of frustrating to hear. My Pastor told me to go as long as I wanted. I just think if we try to control the service how can we expect God to really move on the church. I know they have said that people will lose their interest, do not see the fact that the person losing their interest is possibly the whole problem, they don't have the Spirit of God of course they are going to lose interest and if the church members our losing interest to then possibly we are truly not walking in the empowerment of the spirit but the flesh, seriously. Please pray for my church and the members, I don't want them to be close minded like this and following man made rules and regulations and thinking worldly, please pray that the Holy Spirit will work. I mean did not George Whitfield and John Wesley Preach sermons sometimes 2 to 4 hours long, and did not that bring forth some of the greatest revivals, let God stop the prayer meetings and sermons and witnessing and scripture reading and not us.
