What is the "WEARING A PINK VEIL" mean?? - posted by aasom4, on: 2011/1/12 0:48

Hello, I had a prophecy and during the prophecy I was shown wearing a long "PINK" veil?

Does anyone know what is the meaning of this vision?

God Bless,

Perhaps associated with 'Looking at the world through Rose Colored glasses.'

I have a pair of sunglasses that have a rose colored tint in the glass. To wear them is a treat. Even drab weeds come alive as the different hues in their drabness are accented. I have been tempted to get my next pair of correction lenses tinted, perhaps it could improve my outlook/attitude. (Grin)
