All i need is that as you read this last sentence, you just bow down your head in prayers for this nation that the elections will be peaceful by the power of God.

I agree with you in prayer that God's will would be done in this election. That all corruption would be removed from the government in Nigeria. We pray that God's kingdom would come and that His will would be done in Nigeria. That the gospel would be spread throughout the land. That all corrupt leaders and ministers would be removed. In Jesus name we pray. Amen!!!
