**I didn't see a Sermon Suggestion Section - posted by MikeCorral (), on: 2011/1/16 9:22**

Can we add Henry Mahan's sermons (and I really could use the text of sermons too)? He is on Sermon Audio. I strongly feel that it was God that led me to his sermons. In my opinion, he is almost as good as Charles Spurgeon, and I think we should have all his sermons on here. Thanks!
