

**Miracles that follow the plow :: Prayer request****Prayer request, on: 2011/2/3 20:53**

Please pray for my uncle Pasquale who is 88 years old and very ill. His son has witnessed to him many times and yet is not sure of his state with the Lord Jesus Christ.

Thank you.

I do ask God to touch your Uncle.  
He is able to do so, for He Gloriously saved my Brother  
a little while before he died.  
God Bless  
Nellie

I pray also the scales be lifted that has blinded him and his heart open. Come Holy Spirit reveal Jesus to this man. Let all know that He is with You Heavenly Father. We put him in your hands Lord. Glorify Yourself here. Amen
