Religious Gathering Targets Christians

February 4, 2011

Anti-Christians plan to destroy churches during a religious festival.

A mass religious gathering taking place February 9-13 has some Christians living with apprehension. Anti-Christian radical groups have plotted to target Christians and demolish their churches during their own religious festival.

The believers and pastors struggle with mixed emotions over the intended plans. Some fear they will be harassed, beaten and maybe killed, while others have gathered courage in the Lord to continue sharing the Good News and love of Christ with the people.

Much prayer is needed. The believers ask people to pray for their safety and that they will stand firm in the Lord and His promises. Pray also that the religious gathering will not affect Gospel for Asia-supported ministries, but the missionaries will be a strong witness for Christ and reach many who are lost.

As a popular religious festival draws near, many Christians are prayerfully seeking divine intervention for protection. Anti-Christians have threatened to harm the believers and cause a disturbance during the festival.

Please pray their plans will be defeated and the glory of God is revealed in this situation. God bless you.

Yours in Christ,  
The Gospel for Asia Prayer Team
