

Miracles that follow the plow :: Prayer for youth and community**Prayer for youth and community - posted by RainMan, on: 2011/2/8 12:27**

I would like you all to support me with your prayers as i try to reach the youth in my church (with the gospel). It is a scary and almost daunting task as i will have to come at loggerheads with tradition. But i believe that these dead bones can live. Pray that God will breathe his holy spirit upon all concerned. Pray that God does a mighty work in the lives of these young ones. We so desperately need a move of God in our community. Church programs just wont cut it anymore. Ive been burdened for a few days now, we are in a war with the enemy for the souls of humanity. He has come into my community and 'spoiled' it, taking captives, taking away teens, wives, husbands brothers etc but we are happy as we have developed a theology where no man goes to hell and everyone just pretends things are fine. People are going to hell all around us. Please pray and if you have any specific guidance please feel free to PM me.

ps: pray specifically that i will speak only the word the lord shall put in my mouth.
God Bless

Thanks in advance

RainMan,

Make sure that you bind the enemy before you attempt this - and each time that you speak. That Satan be kept from defiling your words or distracting the minds of those that the LORD would have to hear - and that they be protected from all evil. Also pray that angels be loosed upon each child to protect the seeds from being plucked away and to keep them from temptation.

I will pray. Let me know when you will be speaking.

Here is a sermon by Keith Daniel on Satanic Warfare that you will find to be most useful.
