MAN HAS LOST GOD Feb 14

The average person in the world today, without faith and without God and without hope, is engaged in a desperate personal search and struggle throughout his lifetime. He does not really know what he is doing here. He does not know where he is going. The sad commentary is that everything he is doing is being done on borrowed time, borrowed money and borrowed strength-and he already knows that in the end he will surely die! It boils down to the bewildered confession of many humans that they have lost God somewhere along the way. Man, made more like God than any other creature, has become less like God than any other creature. Created to reflect the glory of God, he has retreated sullenly into his cave-reflecting only his own sinfulness. Certainly it is a tragedy above all tragedies in this world that love has gone from man's heart. Beyond that, light has gone from his mind. Having lost God, he blindly stumbled on through this dark world to find only a grave at the end!

Jesus said we are the light of the world. May God use us as shining beacons of His love and mercy to this love and damned generation that has no hope except in the Gospel of God's Love!

Amen Brother Greg,

May the Lord raise up people to pray, to hear, to obey and to love the lost. To have our eye single upon You oh, Lord and not the things of this world. But to have Your heart for those who are hopeless. Oh, Jesus - give us Your heart and be glorified. Amen and Amen
