(<https://www.sermonindex.net/modules/mydownloads/visit.php?lid4237>) The famine, the plague, and the cure by Jesse Morrell - Description: Many of us know there is something drastically wrong with modern christianism, but what is it? How can you recognize a true or a false teacher? They may be harder to recognize then you might think. And what is the biblical cure for our time?

I encourage you to leave a comment about this sermon after you have listened to it (requires you be logged in) (<https://www.sermonindex.net/modules/mydownloads/singlefile.php?lid4237&commentViewpostComment>) post a comment

I listened to some of this message again and it caused me to be stirred to seek more after God. I encourage you to download this featured message from a heart of a 19 year old burdened christian over the depravity of the church in our day.
