Saints,  
Please pray for Will and his Family, as he is going to be operated on again tomorrow.  
He has a Cyst in his brain, that is growing.  
I know God is able to touch him.  
God has brought him through so much.  
Thank-you.  
God Bless all on SI.  
Nellie

I will be praying for all. Come Lord Jesus, rule and reign over Will the family and surgeon and be glorified O' God. Show Yourself strong and mighty. That You O Lord will guide the surgeons hands, use his hands as if they were yours Lord. Give the surgeons Your wisdom & knowledge Lord. Go before Will and make way for Yourself Lord! We give You all the praise, thanks & glory for You are good. Amen and Amen!

Thanks Saints.  
Somebody touched Heaven for Will.  
He came through Surgery fine, and may get to come Home tomorrow.  
What a wonderful God we serve.  
Thanks for bearing this burden for another.  
We fulfil the law of Christ, when we bear one another's burdens.  
Our God is an awesome God!

Praise the Lord! I didn't comment, but I had prayed. May God continue to do the greater work than even this getting him through today's surgery. I suspect God is up to something in the parents' lives.....
