Canadians losing faith as religion faces extinction? - posted by sermonindex (), on: 2011/3/25 22:28

Religion may be on the road to extinction in Canada — mathematically speaking, that is.

Travelling with us are Australia, Austria, the Czech Republic, Finland, Ireland, the Netherlands, New Zealand and Switzerland.

A study presented Tuesday at the American Physical Society meeting in Dallas noted a steady rise in the percentage of those countries' residents who claim no religious affiliation, and explained how social factors could help push religion toward the dustbin of history.
