Update health browny...for who is praying.... - posted by browny, on: 2011/3/31 14:06

Dear family in Christ,

For all of you who are praying for me I will try to give a short update concerning my health at the moment. I am almost at the end of the second week of the radiation treatment now.

All is going wonderfully well. When I have to lay under this huge machine I am praying and meditating on the Word and feel so blessed to be able to stay in perfect peace all the time. And sometimes when it is almost too hard, I am able to quickly stabilize in this blessed peace again. The other day the medical staff mentioned that I am very relaxed under such circumstances, and because of that, it seems my body is easy to handle for them. My wounds are healing well.

Every time I have to lay down, I say: Lord I will lay myself down on your lap now and put my head on Your shoulder. And I start praising Him. Dear saints, there is so much wonderful comfort in speaking the Word of the Lord and praising Him continually in all circumstances!

I also started with the hormonal therapy and have no side effects so far.

I only feel more tired. The dreams that hindered me so badly (and I have asked you to pray for) are less, so my sleep is better, thank You Jesus! I have more energy again to pray and give my time to intercession again. It is such a burden on my heart to pray...so much need....

I hope You will continue to pray for me, I have no church to go to... so I ask: please continue to pray.

Shalom to you all!

Browny.

Dear prayer friendsÂ...Â...

A short update. I am halfway radiation treatment now.

As a result of it my breast is painful. And is keeping liquid.

I am more tired as usual, but in good spirit.

Have some nice contacts with the medical staff and I hope, during the meetings I daily have with them, to show something of the love and peace the Lord is giving me.

Night rest is better now and when I wake up I have thoughts and songs of the Lord.

Only a few times I had real bad dreams.

The Lord is My Shield!

Thanks for praying, please continue as the Lord is leading You.

Shalom,

brownny

Re: Bless our Gentle & Kind Shepherd - Amen, on: 2011/4/9 22:54

The LORD is my shepherd; I shall not want.

He maketh me to lie down in green pastures: He leadeth me beside the still waters.

He restoreth my soul: He leadeth me in the paths of righteousness for His Name's sake.

Yea, though I walk through the valley of the shadow of death, I will fear no evil: for Thou art with me; Thy rod and Thy staff they comfort me.

Thou preparest a table before me in the presence of mine enemies: Thou anointest my head with oil; my cup runneth over.

Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the House of the LORD FOREVER.

Alleluia!
