My brother runs the site, so I thought I would check it out! I'm looking forward to exploring this site more.

Jen, it's awesome to have you with us. :) You're lucky to have a brother like Greg, as we are to have both of you. I can't wait to read your input in the forums, and get to know you better. Welcome!!

Welcome indeed Jen!

Your brother is an incredible servant of our Lord, a man after Gods own heart.

Hope you are as proud of all he has done here as we are!

Hope to hear your input in the forums.
