Please pray for wife's health - posted by beatenpath, on: 2011/4/28 15:10

Her name is Maria and after she gave birth to our first son it seems like her health has gotten worse since then. The doctor's found something in her left ear that looks like an abnormal growth possibly a tumor of some sort a few weeks back. My wife has been on antibiotics since then and this growth looks a lot better then before. Maria is scheduled to have a CT scan in to find out for sure.

I would really appreciate if you guys lifted her up in your prayers. Thanks!

Praying, and congratulations on your first child. Glory to God.

Praying that You Lord will speak the healing Word upon Maria and restore her body to what You intended it to be. In perfect health. Give her Your strength Lord as all new mother's need. Bind the spirit of fear and release the spirit of peace. And we ask for faith to increase here and more grace as needed. We thank You ahead of time for You are Lord.

We love You Lord for You are compassionate, loving, caring and powerful. In Your Name, Jesus Christ of Nazareth we pray. Amen!

Hi beatenpath

My I encourage you with a testimony that i was priveleged to be a part of it. My sister about 10 years ago has a tumour behind her eye that was pushing her eye out of the socket. I prayed for awnsers from the lord and after a little about a month i woke up in the morning with the word forgiveness on my lips from the Lord. i gave this word to my pastor and he prayed with this word with her. 15 minutes later my sisters eyes were sparkling. the doctors test proved that she no longer had the tumour and to this day has not had any more in her Life. I wept in tears at the mercy of the Lord.

Every case to me seems unique, what ever is happening in this i know that God will get the glory if you rest in him. May the Lords peace be upon your heart. And yes i will lift up in prayer.

Dear bro,

I pray for your wife. May I suggest you one thing. If you and your wife have any grudge or bitterness or unforgiving spirit against any human, please confess them to the LOrd and ask the Lord to forgive you, cleanse you of all bitterness and forgive immediately those whom you had not forgiven in the past. Confess your sins to them if you have openly sinned against them. Then you pray or call the pastor to pray for your wife. Answer will come with grace.

James 5:14-16

One will not go to hell because of cancer; But a person will go to hell if he/she did not forgive other.
