I remember after his grand daughter Tiffany died he preached about heaven he said he was looking forward to a day with no more tears now he is in heaven with no more tears and joy unspeakable and full of glory! There are no pastors that I know of who have a pastor's heart like his! Love him so deeply!

There are no pastors around in my opinion who have a true pastor's heart like him. Everyone knows who I am this is just my nick name.

I would not be who I am if it were not for him. Millions can say that too. I am grieving deeply but I know at least now he cannot be hurt or betrayed any more! He suffered tremendously. I know he is in the full presence of the Lord now.

So few men of God end well these days. It is wonderful the influence and Christ-likeness David Wilkerson lived on this earth and is with the Great cloud of witnesses now!
