1 Chronicles 4:23

My potter's busy wheel is where
I see a desk and office chair;
And well I know the Lord is there.

And all my work is for a King
Who gives His potter songs to sing,
Contented songs, through everything.

And nothing is too small to tell
To Him with whom His potters dwell,
My Counselor, Emmanuel.

Master, Thy choice is good for me;
It is a happy thing to be
Here in my office--here with Thee.

(This one surely did make me smile! Bless you all. :)
