Dear brethren,

I have felt a burden to see more of brother Leonard Ravenhill's materials available to people as much as possible. The audio and video messages are tremendous but sometimes print can really impact someone for Gods glory also.

If anyone had a burden to serve in this way to see some of Ravenhill sermons transcribed please let me know by replying to this thread or by private messaging me. I believe this will be a great way for some to serve the Lord and see lives impacted for eternity.

Currently to my knoweldge the only 2 audio sermons of Ravenhill that are transcribed so far are:

Christ Magnified in Our Bodies  
Man Of God Interview

I'd love to do "A Man of God" or "Choosing Rather to Suffer". If someone's already pm'd you on those I'd still like to do one or two.

Choosing Rather To Suffer

Would be a great start! Thank you for your willingness to be a part of this and help.
