Watching it right now... who wrote that first worship song that was in the beginning? powerful song of praise!

It was written by Todd, who led the band at TSC a few years back. He plays sax.

You can hear a great studio version of it, third song here:

Great album, just grab the whole thing!

Hey, I have that CD. Bless GOD!!!

Well, here I am presenting a problem again with downloading with dial-up.

This link for hearing the repeat of the Memorial Service is not working at all. I tried both the slow-bandwidth audio and the audio only on the right - but neither will work.

Any suggestions besides purchasing broadband :)?

Thank you all in advance, once again!!
