I just got news from back home that a couple's daughter in my church has probably been murdered by her estranged husband. I'm stuck in Cincinnati Ohio right now working and waiting to see if the pastor wants me to try to get back home.

Please keep Stan and Ruby in your prayers that their faith doesn't fail.

Thanks,  
Jeremy Hulsey

My wife and I will be praying.

I just got word from my storm manager that I can work out the rest of the insurance claims in my files and then get back home. I'll be finished by this Friday and then head back home early Saturday morning.

Pray that God gives a word in season for the couple whose daughter is missing.
