JUNE 11 - Daily Readings from Basilea Schlink - posted by sermonindex (), on: 2011/6/11 12:27

The eyes of God are looking for one thing: faith. God is looking for children who, in the night of distress and suffering, live in hope of the morning and sing of its dawning. Trust like this wins over the heart of the Father, and children like this will always experience the morning, the rising sun. Be such a child.
