GFA need our prayers as they face opposition. - posted by Joyful_Heart, on: 2011/6/16 19:43

This arrived in my email. So we can pray.

Dear Fellow Christian,

They Refuse to Deny Christ:

Many of our fellow brothers and sisters in South Asia are refusing to turn from their faith in Jesus despite the life-altering consequences. See how you can keep these faithful believers in your prayers as they continue to face opposition.

Believers Denied Water:

In one South Asian village Christians are facing immense hostility. The situation recently escalated, and those opposing the believers are trying to deny them water. See how you can pray for these brothers and sisters who need God's protection and grace.

Amen, may we pray reverently for this ministry and the local church it represents.
