Muslims turn Christian villages into cattleyard - posted by sermonindex (), on: 2011/6/17 14:13

There's more evidence being uncovered of a concerted campaign of violence by Muslims against Christians in Africa, as a new report from Compass Direct describes how Christians in two villages in Nigeria cannot return home because Islamic attackers have turned their entire villages into cattleyards.

The attacks have been documented by Obed Minchakpu for Compass Direct. They follows WND reports of Muslim-on-Christian violence in Ivory Coast, Kenya, Nigeria and Egypt, among others.

The report today said Christian farmers in Mdandi were busy in March harvesting crops when "scores of armed, hard-line Islamists—avoiding the surrounding Muslim villages—descended on Mdandi, destroyed the Christians' homes and drove them out." ...
