Help Free Asia Bibi

Hello brothers and sisters,
I got this in the email today.

for those of you who do not receive " Voice of The Martyrs" magazine or emails and would like to sign up this petition to free this sister in Pakistan, I would encourage all of you to do so.
God Bless.

“Dear God, please release my mama.”

Dear Friend:

Asia Bibi, a wife and mother in Pakistan, spoke out in defense of her Christian faith when Muslim coworkers mocked her and tried to force her to embrace Islam. She was later convicted of blasphemy and sentenced to be executed. She is in jail today, waiting to hear the high court's decision on her appeal.

In Pakistan, more than 150,000 Christians have signed a petition demanding justice for persecution victims, including Asia Bibi. Now you can join your voice to theirs by signing an online petition at www.CallForMercy.com. The Voice of the Martyrs has set the goal of gathering one million signatures from around the world on behalf of our sister Asia. VOM will deliver the petition, along with the list of signers, to the Pakistani Embassy in Washington, D.C.

Visit www.CallforMercy.com to add your name to the list, then invite your friends to also sign their names. Pray God will answer the prayers of Asia's young daughters, Isha and Isham, and allow them to be reunited with their mother.

Every signature is a call for mercy. Visit www.CallForMercy.com now.

For those in bonds,

The Voice of the Martyrs

Thank you sister for sending out an update about her. I have not heard or seen much about her as of late.

The least we can do for a dear saint. I hope many will sign up the petition. It takes less than two minutes.

Will sign the petition. Often petitions and letters can bring spotlight on an imprisoned saint and help bring justice to their case. Let us pray it does. There is something else we can do. We can pray for the persecuted. One can go to the web sites of VOM or Open Doors and see how to pray for the persecuted. There is a conference call available where believers across the country pray for the persecuted. Anyone desiring that info please contact me and I can provide. My contact info is on my profile. Whatever you do please remember the persecuted particulate thus sister.
