Now the time for my surgery has come. Thursday, September 1st at 1 pm I am scheduled to have the lump that is in the front of my neck removed. It will involve removing part of the thyroid also. My prayer request is that the Lord will protect my voice and that I will be able to continue to preach His glorious word without any hindrance. Just knowing that God's people are lifting this before His throne gives me a great sense of His blessing and specific touch. May His blessed will be done. He is glorious and worthy of our radical trust. He doeth all things well.

Father, go before him, and protect his voice, that he may sing for Your Glory.
In Jesus Name.
