When old companions, old lusts, and sins crowd in upon you, and when you feel that you are ready to sink, what can save you, sinking sinner ? This alone — I have a high priest in heaven, and he can support in the hour of affliction. This alone can give you peace — I have a high priest in heaven. When you are dying — when friends can do you no good — when sins rise up like spectres around your bed — what can give you peace ? This — "I have a high priest in heaven" - Robert Murray M'Cheyne
