Sublime, annointed, beautiful

This is one of the messages the Lord had me download a while back but only prompted me to hear today. It was especially poignant today as I had listened to the latter chapters of Deuteronomy in the giving of the Law and the prophetic word that outlines the times of the judges, kings, exile, return and the coming of Christ Jesus. It is so clear how God foreordained this for His glory and through His righteousness will sift and return the Jews at the very end. In a similar manner, it should be our greatest honor and desire to walk by the Holy Spirit and see His will manifest in us but also rest in the fact that times of coldness and separation are being used to prepare us to be used as a purer and holier light as God reveals His righteousness to us.

Incredibly Timely.

Thank you, Jeremy!
