Wow, what a powerful message this is from Mr. Daniel. A call from the Holy Spirit to absolute surrender, I was on my knees afterwards.

Thank the Lord for this man of God.

Yes, This is the best sermon I have ever heard!

The Holy Spirit was working when I listened to it. Opened my eyes to alot of different things.

IT is also great to watch the sermon. His body language says alot also. When Keith says something personal he will lean over the pulpit like if he was just talking with you. (If that is a good way to describe it?)

Anyways this sermon is a must listen or see.

Also the book the Keith recommends is great too.

R.A. Torrey on the Holy Spirit

Actually Torrey has two on the Holy Spirit. One is in preaching format and the other is a more comprehensive one.

Brother to be honest I am on my knees almost after every message this man brings.. There is something of God on this man's ministry that seperates it from **much** of the limelight showy ministry of our day. The prayers that dear brother keith utters.. at times staggers my mind how simple yet profound those prayers are.

"Lord we give you control, we pray that you do such a work that we never recover.. we give you the right.. "
