

**Miracles that follow the plow :: Prayer request....**

**Prayer request.... - posted by sdb, on: 2005/1/11 16:35**

That the Lord will help me in calming the waters of my heart that I may hear His voice, and see the direction I should go . It is my hearts desire to serve Him, but not of my own flesh but as a broken vessel that he may flow through me. With out His voice and direction I am nothing.....

I will join you brother. Will you pray the same prayer for me?

My pastor explains it like this "If we can't hear from God then we're too big and God is too small." (I'm assuming now that you're not walking in any known sin.)

Will pray for you brother. As John the Baptist said, He must increase but I must decrease. How true it is...
