This is a link for chapel library and they have material to give out to those in prison, but really solid material like spurgeon, luther, pink, bunyan, and others. Take a look at it it really is a blessing.

Thanks! I know someone actively involved in prison ministry. These resources will be a big help.

Haven't heard from you in a while John, hope you found a good home church. I have some reading material you might find helpful in your walk with Christ:

THE VICTORIOUS CHRISTIAN LIFE

A study into how to enter into the freedom from sin we have in Christ.

I also uploaded to Scribd.com a copy of Jessie Penn-Lewis' "The Centrality of the Cross"

Hey no problem at all I always like getting the word out about truly godly material. So you know the material also can be for ministries and personal use in small quantities. I have got some material from them before. Sovereignty of God by A. W Pink and Spurgeon's All of grace. I actually just ordered a copy of Spurgeon's All of Grace and Around the wicked Gate because I am hoping that my friend Keith will come to the Lord through it if not sow a big seed in his heart. I feel bad getting free material, I will have to admit i have abused it in the past and even recently a little too much, i have so many books i don't read or don't finish. I have been blessed by ministries. Granted ministries, chapel library, paris reidhead ministries, zac poonens ministry, open to his word ministries, sermonindex, heartcry, i'll behonest, charles stanley ministries, 700 club for prayer, way of the master, grace to you, and others with getting material. Been very blessed, but i need to read much and listen to much of what i got, feel bad about it. But anyways i am seeking the Lord brother as usual and I believe I will be set free by the Lord. Thank you for the links.
