I really need serious prayers I am fasting trying to get delivered from these evil spirits that won't leave, i am been fasting praying and seeking God in his word and i still have not been delivered. I truly think that if i could stop believing the enemy that i will be delivered, but something is keeping me from listening to the lies, please pray for me sincerely, i mean this. I really need to stand on the truth and i need the Holy Spirit to help. Please also pray for my wife and her soul. IN Christ John

Brother, I am continually praying for you. I pray that you will indeed be delivered.

I pray for you....

And don't put your trust in your prayers and fasting do deliver you, but look unto Jesus! He is our Deliverer and our Delivering! He Himself paid the price and He Himself will see to it that everyone who trust in Him will receive life and deliver. (Whom the Son sets free, is free indeed! Joh 8:36)

my friend,

do not believe the lies, fight them with scripture, the attacks will not stop until you assert yourself in the faith, not with loud talking, screaming, emotionalism, or works, but as one brother said, trust wholly in Jesus ability to deliver your life.

In this life you will have trouble, but be of good cheer about what Jesus means to you.

Your faith is seriously being tested

bibleforlife, Can u explain more on exactly whats happening?

Re: - posted by bible4life (), on: 2012/1/22 12:23

I have been under attack by spirits that have been attacking my body for about 9 months trying to paralyze my body. But it has got to the point where they have been overpowering me and its only got worse. It has been almost impossible to think right because their been something that has been hindering me in my mind or my heart with my faith. My faith has got really weak. I think that is a reason many of the attacks have just kept getting worse because my faith in Jesus has almost in a sense gone away.

Hi Bible4life, you said that their has been 'something that has been hindering you in your mind or heart'. What is it ... are you able to explain slightly more ?

Praying for you now.

Re: - posted by ManofGod0000, on: 2012/1/22 18:24

Let me say this plainly to you bibleforlife as I have been praying for udiligently.

Satan has desired to sift u as wheat, but Jesus has prayed for you, that your faith would not fail you.

Remember so your faith wont fail you, nevermind what your feeling, pain, or discouragement, hold on, I said, hold on to Jesus during this time of importance. Pray, cry, plead, and take your bumps like a good soldier, Jesus has not forgotten you.

Rememeber, hold on to your faith in Christ's ability to save you from the snare.

Love you friend

Re: - posted by bible4life (), on: 2012/1/22 23:21

their is something that is different than it use to be i use to have more control over my feelings thoughts, my faith, but i feel as if i don't have the same control that i once had. I think this might have resulted from pride or anger towards others, also i use to be very judgmental towards others and critical. But anyways i need to be set free, from my understanding we have been set free in Christ at the cross.

Re: - posted by ManofGod0000, on: 2012/1/23 11:12

U are free as far as what Jesus declared but every man, woman, child, needs to know that and walk in that for themsleves.

If you asked God to forgive you for what youve done in the past, then the blood covers you bro, God is love, not just judgment, as a matter of fact, Jesus said he didnt come to judge the world but to save it....

Now, that takes chastening, hardship, and pain, deep imbedded pain. I cant understand why all the times, but you remember that your thoughts are just thoughts, they arent always real, most of the time, they are just lies and fabrications that the adversary place there in our minds.

One question, do u have any medical conditions of any sort?

Miracles that follow the plow :: Need serious prayer

1 recommendation, begin to journal and discover who you are through this process, not only in christ which is definitely important, but also about yourself as a human.

begin to do it now!

Re: - posted by bible4life (), on: 2012/1/23 15:50

No not any medical conditions that i know of except attention defecit disorder, but i know the Lord has strengthened me in that before. I need deliverance i have a really bad stronghold that i can't get rid of, everytime i try to stand on the truth i become overcome by all this. None of the amount of things i have done have worked, standing on the truth, reading gods word, praying, trusting god alone, deliverance ministries, everything really has failed. I don't know what to do, tyhese evil spirits will not leave.

Re: - posted by bible4life (), on: 2012/1/23 15:55

if anyone knows any deliverance ministries pease let me know good ones.

Hello bible4life,

You said "I think this might have resulted from pride or anger towards others, also i use to be very judgmental towards others and critical."

Have you made an effort to right the things you did wrong? Is guilt for your past actions pressing upon you? If you have harmed anyone have you sought their forgiveness and faced the consequences of your actions. Jesus does forgive us when we repent but we still are held accountable to those we have wronged. Perhaps this is what is weighing you down. If there are legal issues you need to face them.

Matthew 5:23 Therefore if thou bring thy gift to the altar, and there rememberest that thy brother hath ought against thee ; 24 Leave there thy gift before the altar, and go thy way; first be reconciled to thy brother, and then come and offer thy gift.

Perhaps there is a debt blocking your prayers?

I will pray for you, too.

Re: - posted by bible4life (), on: 2012/1/23 17:05

yah that has been an issue is my debt, i owe a lot of money to people and creditors, etc. A how lot, i do want to make that right with God and others.

Re: - posted by White_Stone (), on: 2012/1/23 19:33

"i do want to make that right with God and others."

Start by making a list of all you owe. Write beside each one how much you can give them each month. Once you have a plan, contact each one and see if you can work out a payment arrangement. Once you have begun putting forth the effort to clear things up I believe you will begin feel relief but don't let up until you are free of debt. Do not borrow in the future, this is an expensive lesson you do not want to repeat.

If you have to cut out creature comforts to make these payments, do it. Live frugally and get out of debt. Better to give up Cable TV or Internet than what is spoken of in the following Scripture:

Mark 9:43 And if thy hand offend thee, cut it off: it is better for thee to enter into life maimed, than having two hands to go into hell, into the fire that never shall be quenched

I will pray for you.
