Saints,

Though it is very unprofitable to consider and dwell much on masonic or other conspiracy theories or groups even if they do exist and are factual. It is interesting that this man Albert Pike who was a satan worshipper predicted the 3 world wars in a book through a vision. May God prepare the Church for suffering and to preach the everlasting Gospel to the end of the world. The rise of Islam truly is an "end times" significant happening.

"The First World War must be brought about in order to permit the Illuminati to overthrow the power of the Czars in Russia and of making that country a fortress of atheistic Communism. The divergences caused by the "agentur" (agents) of the Illuminati between the British and Germanic Empires will be used to foment this war. At the end of the war, Communism will be built and used in order to destroy the other governments and in order to weaken the religions."

"The Second World War must be fomented by taking advantage of the differences between the Fascists and the political Zionists. This war must be brought about so that Nazism is destroyed and that the political Zionism be strong enough to institute a sovereign state of Israel in Palestine. During the Second World War, International Communism must become strong enough in order to balance Christendom, which would be then restrained and held in check until the time when we would need it for the final social cataclysm."

"The Third World War must be fomented by taking advantage of the differences caused by the "agentur" of the "Illuminati" between the political Zionists and the leaders of Islamic World. The war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other. Meanwhile the other nations, once more divided on this issue will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion. We shall unleash the Nihilists and the atheists, and we shall provoke a formidable social cataclysm which in all its horror will show clearly to the nations the effect of absolute atheism, origin of savagery and of the most bloody turmoil. Then everywhere, the citizens, obliged to defend themselves against the world minority of revolutionaries, will exterminate those destroyers of civilization, and the multitude, disillusioned with Christianity, whose deistic spirits will from that moment be without compass or direction, anxious for an ideal, but without knowing where to render its adoration, will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view. This manifestation will result from the general reactionary movement which will follow the destruction of Christianity and atheism, both conquered and exterminated at the same time."

He is dead wrong about the last statements !!!! There isn't anything pure in Lucifer ! I'm not disillusioned ! Jesus Christ is the Victor ! We are victorious through Him ! In the end, we win !!

GOD Bless you, Greg.

It wasn't a prediction - it's called "The Plan" and has been implimented by the rich men of the earth, that as the Bible fore told, would follow Lucifer with the aim of conquering the earth - making a global governance - global monetary system a nd finally take over Jerusalem with 'their' christ. Would to GOD that the people of Israel knew these things. Would to GO D that they would know who is calling the shots for their nation and what this next war will be for them. Art knew. Both sides were and are funded and aided in these wars by names that we'd even recognize.

Pike's statue stands high on that sidewalk in D.C..

He wrote Morals and Dogma.

I read the plan from many different historic sources and the 3rd world war was to also pit the only three monotheistic reli gions against one another because they won't go along with the 'United Religion' and at the same time - get the world to hate the Christian and Jews for bringing about the destruction that comes from this war.

We may also want to remember that media is controlled toward the plan as well.

Much history behind what you've posted and we should know these things as well - because it's caused hatred in our he arts already.

The nations are ruled by those in favor of this plan and those nations that are not, are being beaten or will be, into submi ssion and with over-throws and provacators towards uprising, etc to their own demise.

Thank you.
