I am so excited to find sermon index! Maybe relieved is a better word. I found you by doing research on a television preacher. I was delighted at reading the Word handled with love, with the wisdom of our Lord. In my tiny town, I was surprised how many Christians are unchurched; I am one of them. There simply is not a church here that isn't a mere social club, where people are being hurt, or that isn't teaching one of the popular man's interpretation/movements. I think to begin a Sunday morning Bible study/prayer group in my home. I may not contribute much here as commentator, but I will so enjoy learning! Thank you for being here.

Welcome brother. I too am unchurched, there is not a church in this city that is worth its salt. Ohhhh there might be one somewhere, but the brethren that I know here in my town don't go anywhere either, visit places yes, but not regular attendance.

Enough of that, God bless you brother. SI is a unique place God founded for the weary traveller who is tired of mundane Christian living that teachers having itching ears have been trying to feed us.

Here on SI, you'll learn a lot and grow as well. There are many wise brothers and sisters here both young and old who are generous in their knowledge in wanting to share with all of us.

You will also experience many misunderstandings, so be prepared for that, it's apart of the growth cycle of getting to know one another, but keep your cool and respond the best you can in love praying.

Welcome and much peace to you Bibleanboots!

Thanks for the warm message and I pray that the Lord will bless you richly! You will meet some wonderful, passionate, saints on here, did mention passionate? :-)

About 2 weeks ago I was flying over to Chicago from Detroit and to be honest I really don't like to fly that much (if God wanted us to fly He would have given us wings). I came on here and asked for folks to pray for me and they all did! When I got on the plane I was amazed at how peaceful I was in my spirit for the whole flight. I'm so thankful for the people here, they are really soft hearted when you need some encouragement and prayer.

Blessings!
