Dear Friends,

At the top of my mind and heart today is the Top 40 More Difficult Unreached Nations (click to read in PDF). Will you read this list quickly, pray for these nations, and take time to look them up in the excellent resource, Operation World?

List of the top 40 nations:

Did I add correctly... that 35 of them are Muslim? God have mercy.

God bless,

Lisa

Thanks for sharing. Every day I get an email that I subscribed for from this website:

They give a people group and tell the population, language, whether they have scripture translated or even Bible portion s. It is sad to see millions often who have none of God's Word in their language.

Oh, Lord send laborers into the harvest.
