Hello. I am listening to "The Call of God-A Call To Holiness" by Zac Poonen.

I'd only recently heard of Zac Poonen through this site. His teaching (along with others I have heard on this site) are easily understood and reveal what real holiness is about.

Bro. Poonen talks about things that most ministers are not (presently-nor have many in a very long time)-- preaching to God's people.

Thank God for this website.
