

**Miracles that follow the plow :: Prayer for my Aunt****Prayer for my Aunt - posted by A-Run (), on: 2012/2/5 12:41**

Dear All!

Request you to pray for my Aunt who got operated yesterday for the removal of Gallbladder. The operation was successful by God's mercies. But, since then she's been feeling weak and she complains of pain in the chest/heart. She is over 60years of age.

Her husband is a drunkard, does not work and cares little.

Please pray that God may touch her and she may have a speedy recovery.

Thank you!

I will pray for your aunt today A-Run.

God bless you.

Travis
