There is nothing like standing alone. It can be the most wonderful time of your life. Moses was in the mount alone with God when receiving God's wonderful revelations.

John was alone on Patmos. I am alone while here writing to people to rejoice when your alone. God is awesome in those times where you and he can fellowship.

He has told me many things personally that the world knows nothing about.

right now he is showing me things about his soon return.

He shows that this is the hour he is going to create a greater fellowship with his people. They will need his comfort at that time due to what he shows is coming. Waiting for the time when I can share that.
