God never changes - posted by HarryDean (), on: 2005/1/29 5:46

With time we have seen the wicked raise and fall. We have seen the numbers in church raise and fall. But as the seasons and the length of days....they are constant.....and our God is the same yesterday and today. Let us pray that our hearts will love our enemies as much as God loves them.

That is a really awesome prayer, brother! Loving our enemies like God loves them! I've been challenged today. Thanks!
