Saints,

This is a great book for sisters who are mothers are are going to be mothers especially and are having a child. My wife is benefiting from this booklet already.

What a challenge it is to seek to be a first-class mother.

"Dear Lord, I do not ask  
That Thou should'st give me some high work of Thine,  
Some noble calling, or some wondrous task;  
Give me a little hand to hold in mine,  
Give me a little child to point the way  
Over the strange, sweet path that leads to Thee;  
Give me a little voice to teach to pray,  
Give me two shining eyes Thy face to see.  
The only crown I ask, dear Lord to wear  
Is this : that I may teach a little child.  
I do not ask that I may ever stand  
Among the wise, the worthy, or the great;  
I only ask that softly, hand in hand,  
A child and I may enter at the gate"

I agree with Greg that this is a very good book. My wife reads it too. Annie Poonen is both a medical doctor and a born-again Christian who has raised four sons who all serve the Lord today. It is worth hearing what a woman like that has to say! As expected, the book offers a good blend of Christian wisdom and medical knowledge for new mothers. Fathers can profit from it too!
