Dear Saints,

Please keep myself and my wife in your daily prayers as you are led. We are excited to be having a child in july and to be privildged to serve the Lord by running this website and many outreaches, etc. Pray specifically for protection against any of the wiles of the enemy.

I have started to write more and feel the Lord leading me to put together a small book, please for this and the Lords timing and way in this.

We are glad to pray for Brandy, your baby, and yourself Greg. May the Lord bless your household for generations!

Thank you for maintaining this website.

I am looking forward to reading your book.

Will do, Greg.

Now I am nosy - your're not shocked, are you? Anyhow, mind telling us what is the topic/theme of your book?

Paul says he wants to write a book and am looking forward to its publication.

Here you have two of the mods working to write a book... Mike, you going to write one, too? Just wondering...:-)

Be blessed.

Dear brother & sister,

I do pray and will keep on doing so.

May the shalom of the Lord be in your heart and mind.
