The big move - posted by mguldner (), on: 2012/4/27 2:09

My wife and I are going to be moving to Virginia in 9 days, please pray for us as we make this trek from Kansas. Also that we find jobs that glorify and honor God and provide sufficiently for my family.

God Bless,
Matthew

We will Matthew.

Virginia is a beautiful state. I grew up near Appomattox.

I have successfully moved to Virginia with my family, I would appreciate prayers as my wife and I hunt for jobs. Seems like I have nonstop been applying to places in the area, also I really don't like our technological age in this job searching every where I go I get turned away and told "You have to apply online." It's a bit impersonal if you ask me... lol Oh well :)

God bless you, brother! We will be praying too. I was raised in Virginia for most of my childhood. It was a wonderful experience.
