come reckon your selfs dead unto sin

come to a quite place ,and look ,,see the lord

he is hanging on the cross for us

see the blood

the pain

watch the scracrfice of the holy lamb

see how he offers him self to god for us

listen, hear the earth quake

and cry of the lamb

listen to the cords of sin break ,wile he screams

behold ,behold ,what he speaks

my god my god my whydid you have to for sake me

it is finished

he has broken the head of the snake

the propishiation ,the offering is compleat

the son has set you free

and you are free indeed

he has broken the power of sin over his people

truly this was the son of god

who was brusied for our iniquity

the chastisement of or peace was upon him

he bore our sins,listen to his pain

and by thses strips we are heald

the cords of sin are gone

the leash of iniquity ,has been releasd

he has set you free from the leash of slavery

sin has not dominion over us

he condemed sin in the fleash

you are free ,he set you free

recker your selfs dead unto sin

sins dominion,was nailed to the cross

he who new no sin became sin  
cursed is he who hung on the tree

the curse is left you ,,now you leave the curse on that tree

leave your old master ,on that cross

resiste the devil ,and he will flee from you

take the grain of mustard seed on thy lips

let it sprout and grow and fruit  
confess the truth to one another

he set you free  
indeed you are free

the cross has set you free  
what was naid to the alter  
beacme your freedom

rejoyce now in your liberty  
wher sin abounded  
grace abounded more

he set you free

step out from the old traps  
dont let the traps in tangle you,you are allready free  
you are a new creatour now  
walk by faith  
for i know my sheep  
and they follow me  
undure the narrow path ,that i made for you  
and you are saved

no one is able to pluck you out of my hand

you have crusafied the flesh ,and it passions

listen to the screams of the flesh

there death has come  
as a flower of the field passes away ,when i make the sun rise ,,the flower has been cut from you ,walk away now

dont hold onto ,a cut rose and look at its dieing atraction

walk now ,to the tomb ,behold ,and see im not there

iam vindacated ,so are you you ,come to me ,hold me

see that it is me ,but hold thy brothers by the hand ,and bring him to me ,,pull him away

from the roses „leave him not on the out skirts of the camp „lead him through the gate to my feet where i hung for you „  
forget your different doctrines ,like my two twin sons ,that i raised up for my sake and for your sake ,and remember my fi  
rst funeral

and the spirit that was there that i gave for the bond of peace

and hold each ones hand with a brotherly kiss for a second

and look to me „remembering your self

and i shall lift you in my sanctification ,which i sanctified you with,, touch not my liberties with all your heart

but touch my hands and feet ,and my side ,with all your stare „separate your self for a season

and then you will know that i have separated you for ever

separated your self ,the season is come

and the season itself will separate you

it is the season for rain ,.

come and be washed in this new rain of old

blow the trumpet ,there is a wet season ,and a flood

this flood will only go down a narrow tributary ,this season

but the richness in the water ,will feed the trees ,and the trees will indeed bear fruit ,and the fruit will be stored in my barns ,and will feed the thirsty ,in the dry season which is near ,and they shall ask and it will be given „this will produce a different harvest ,from the last four „it will be my best fruit in the last minute of my last hour of my last days ,

and behold this will prepare my way and make my paths straight „my prophets are coming,for i myself have raised them before the world was ,and i will lead them as i led you and you will surely know who are olive trees in the season to come ,,,

now i call you ,all,, to repent ,and i do not your works , even my prophets ,and my pastors

all of you at this time shall repent

and hear what your everlasting father is saying to you

listen to me ,as you are my children „and i have some things more for all of you

some shall do the first works

and others shall you do the works that you have never done yet

and even my weak wayward son whom i speak through this minute,,he must dig very deep and repent and do works he has never done and bear fruit of deep repentance ,and prove his love to me

my grace is sufficient

and i will supply according to need

this is what the lord is saying to you

my word is in you

and in your mouth

listen to what the spirit is saying to you tonight
