Saints,

I full commend this event that Dan Biser is putting together again. It is a week long prayer event where every day and night there are sermons preached on the need for prayer and revival and slots for 2+ hours of prayer after every message.

He has been running these events for many years and it something I fully commend that saints in the Atlanta, GA area come attend.

The speakers: Don Miller, Richard Owen Roberts, Dan Biser, Al Whittinghill and James pool.

Amen! What a needed gathering to be had. Lord sear our hearts in this way always. Let us live in this manner as Nehemiah did and be able to lead others to catch the vision and burden of the Lord to rebuild.

URGENT CALL TO PRAYER 6/5/12

June, 2012

Greetings,

And I do not bring 'good greetings', just simply 'salutations', brothers. We are in a mess. Most will agree, that very little of the power of God is being sought for, to counter the full out assault of hell and its evil upon our nation, churches, families and individual souls. Never have we seen so much corruption in headlines, in pews, in pulpits, in crisis and so little ability to do anything about it. We know there is a power, there is God! and 'He is able to do abundantly above all that we ask or think'.

I thought I was done with Broken Before the Throne. I had no inclination nor plans to do any more. But God has spoken, and I know that Voice that drives me, and I cannot let it lie. I have no peace in my soul, when I wrestle with obedience, I must respond. Broken Before the Throne is a prayer time, not per se, a conference. The preaching of the Word and real prayer time offered over the state of our nation, church, and families. A time of prayer made up of confession, pleading, adoration and anguish for His favor in revival.

The Supreme Court, it seems, will decide the fate of our nation over the gay marriage debate. It is almost 40 years since Roe vs. Wade, this allowed the sin of innocent blood to cover our land. We have to answer for this blood in our generation. I would think, that all of us would be agreed we cannot bear, nor would God permit us to stand as a nation if homosexuality is legalized in this land and traditional marriage thrown out. What are we to do?

We are to do what they did in the book of Acts; what they did in every occurrence of persecution; what they did in times of such evil – THEY PRAYED! They came together for they knew that there was no power left in their means and methods; there was no power in their organization; there was no power in their education; there was only the power of God. God seeks for a man, God waits for us to do what we should have been doing all along. How did we get here?

We left off our first love. We silenced the prayer meeting. We abandoned holiness and righteousness. We failed God in our ways of worship. Now let us seek and find His mercy. Let us cry out to Him, 'In wrath remember mercy'. Here is a week of prayer to prevail with God together; yes, praying in our closets, on our own, whenever and wherever time permits. But this one week we have together. We are out of time. We cannot let this happen on our watch!

Promote this time, pray, invite, participate and prevail for the sake of His great Name. Any future we have, will be decided by how we prayed today. My children, and their future; your children and grandchildren will be decided by what we do on our knees. We cannot afford to not prevail – WE MUST PREVAIL!

Speakers: Richard Owen Roberts; Don Miller; Ron Auch; James Pool and Al Whittinghill;

Scheduled for 7 days – 15 sessions. Allowing time to be still and know God; and to wait before Him.

Until,

Dan Biser
