BROKEN BEFORE THE THRONE - PRAYER - posted by dbiser, on: 2012/6/7 10:22

Broken Before the Throne website registration is open. The conference is free. It is paid for by gifts from churches and individuals that God moves to help us and support this time of prayer. Registration simply helps us to get a number of how many to expect and prepare for.

I would ask of you to help us in promoting this time of prayer. It is most needed in our day. Very few in American churches know of time spent in waiting upon the Lord. This week long prayer meeting offers us that time. Please forward, pray and support this by sending the information onto any and all of your brothers and sisters in Christ. Let your pastor know, prayer groups and those that God has begun to stir them about revival and prayer to be a part of this week.

For those not able to attend, we are working to have in place, the ustream video feed that will allow for the session preaching to be heard and followed. The prayer times, more than likely will be muted, due to the issue of personal confession.

If you have any questions or suggestions, please contact me. thank you

I trust some of the saints from SermonIndex will be able to join with you dear brother. Sadly prayer is one of the most neglected practices in the church. This shows the bad estate of the church that it is in, in our day.

Please pray for these days of BBtT. The speakers, those attending, finances to be completed, each session filled with His glory and the Holy Spirit directing the entire leading of this week. Still in need to see the video aspect finalized.

Registration is open and asking you to please register if you plan on attending. It helps us with numbers to prepare for. Thank you.
