"And he opened his mouth in blasphemy against God, to blaspheme his name, and his tabernacle, and them that dwell in heaven.

And it was given unto him to make war with the saints, and to overcome them:

.....and power was given him over all kindreds, and tongues, and nations.....

And ..ALL.. that dwell upon the earth shall worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world."

I believe that the ARAB SPRING, not yet completed, is simply the foundation for the United States of Islam to be formed, and as I see it, a Nuclear Pakistan is the keystone. When Pakistan falls to radical Islam, then their Nukes are the sword of Allah's, and his property.

When Iran can obtain on, they, with Al Qaeda will use it. They do not care to die, nor for their countries, or the people who may live there; they care for the coming IMMAM who is prophesied who will carry the Muslim to dominate the world, as their manifest destiny.

Oil, has made them rich beyond their wildest hopes, and Islam is arming up for the great battle against the great Satan; the USA and Israel. I believe that THIS is where the 200 Million man army will come from, to murder every Jew alive in the world at DAY.

I was parousing the BBC today, and came across this, about Pakistan.....

"Even those areas once considered the most peaceful, such as the Northern Areas, are wracked by mayhem.

Equally, religious minorities can no longer rely on the state to protect them and are being targeted at will.

Many, such as the Christians, are fleeing the country if they can."

<http://www.bbc.co.uk/news/world-asia-17897862>

No man knows the day or the hour, but we can see the signs. We are close. Turkey has declared herself Sharia, and is no longer a Western friend. I believe that one day, this will be forced upon America, and if a soul does not receive Allah as Lord and Savior, and bow to him, he or she will be killed; Beheaded; right here in America.

"And I saw thrones, and they sat upon them, and judgment was given unto them: and I saw the souls of them that were beheaded for the witness of Jesus, and for the word of God, and which had not worshipped the beast, neither his image, neither had received his mark upon their foreheads, or in their hands; and they lived and reigned with Christ a thousand years.

But the rest of the dead lived not again until the thousand years were finished. This is the first resurrection."

Evidently this will be a major event, when multitudes are killed in this way, and it also appears that these are given a special reward in the coming Kingdom of living and reigning with Him in this 1000 year period.

Many of us have been looking at the EU as being that 10 nation alliance that Daniel saw, but I now, do not think so. I think it is the fruit of this ARAB SPRING forming, and it amazes me that it is actually happening now; today, as we watch.

We are to love all of those chained by Islam and Allah, and hope they hear the good news That Jesus did die for them as a God Almighty; THE ONE AND ONLY ETERNAL GOD!...not the Muslim Apparition. This has always been the message of true Christians, and is the true reason why Islam hates us as they do.

I believe that sooner than we think, we will lose a major war, be invaded and occupied, and later we will see Islamic armies enforcing Sharia, with the keys to the food banks, right here in America.....

"For as a snare shall it come on all them that dwell on the face of the whole earth.

"Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man."

Re: The rising Caliphate; The fruition of Muslim hope: Islamic domination and the Ant, on: 2012/6/12 5:37

I read this today at ACLJ, Jay Sekulow's site. It is uncanny, but it could have been a direct extension of my thread post. It is happening NOW!.....

..."According to a popular Egyptian website, the Muslim Brotherhood's Egyptian presidential candidate, Mohammed Morsi, has stated that Christians will be forced to "convert, pay tribute, or leave."

When asked about Coptic Christians in Egypt, Morsi reportedly told a journalist, "They have to know that the conquest is coming and Egypt will be Muslim and they have to pay tribute or migrate as one who left."

He reportedly stated that it was his goal as a presidential candidate to "achieve the Islamic conquest of Egypt for the second time, and make all Christians convert to Islam, or else pay the 'jizya' (Islamic tax)."

While some are unsure whether he made these particular comments, these statements are consistent with the rhetoric of his campaign.

Just last month, Morsi looked on approvingly at a campaign rally as radical Cleric Safwat Higazi told a cheering crowd of thousands that Morsi would restore "the United States of the Arabs" and that "the capital of the United States of the Arabs will be Jerusalem, Allah willing."

As Morsi looked on, the Cleric led the crowd in the chant, "Millions of martyrs march toward Jerusalem!"

How can dead people march?

Re: , on: 2012/6/12 15:25

Tom the scenario you laid out could unfold. But I imagine India would mix it up with Pakistan. India and Pakistan are long time enemies. India has won the last three wars with Pakistan. What makes the situation more alarming is both have nukes. The next war with India and Pakistan could very well go nuclear and all bets are off.

How can dead people march?, on: 2012/6/13 9:04

Tom, I understand the gist of your post but do wonder about this statement:

"Å“Millions of martyrs march toward Jerusalem!”"

How can dead people march?

I am confused...ginnyrose

Islam glorifies the death of the warrior for Allah. There is a special reward in Allah's Heaven for both men and women; men get an eternity of sensual pleasures from a supply of virgins that are theirs for the taking, in a paradise like Eden. Women get whatever they can imagine, both in sensuality and power, kind of like a genie out of the bottle.

The passage " Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him."; has been copied in the Koran but Allah inserted in place of God.

The martyrs get the most you see. Allah is the god of war and dominion, and in Jihad, holy war against any and all of the Muslim victim, one's salvation is elevated 10,000 times from the average death.

This is why so many homicide/suicide/ death bombers await in line to murder the innocent; both women and men, and children. This is at the root of Jihad, and the fanaticism behind the Muslim Brotherhood, Al Qaeda, and Hezbollah.

While the Iraq war was raging, I watched a documentary in real time, about a Muslim from another country in the Mid-east, who abandoned four or five children, his wife and business, to travel to Iraq, and DIE!.. He fought with the insurgency, and they videoed him every day, as he fought against the American occupation.

He purposely exposed himself to more fire than necessary to be killed; he did not , however, want this opportunity to pass for a true Jihad. Eventually, the American army obliged him, and he slipped into his eternity blown apart.

Millions and millions of young school children are being indoctrinated each day, that this is the only path to Heaven; the only and righteous way, and today, there is no peaceful Islam. Even "secular" Turkey is now declaring that there is no other Islam than Sharia; Jihad until World Domination.

"Millions of martyrs march toward Jerusalem!”"

"How can dead people march?"

These have determined themselves to martyrdom, to die in war for the cause of Allah and make the most of their eternity's. I believe that this is the 200 million man army prophesied, and it will be real.

" Saying to the sixth angel which had the trumpet, Loose the four angels which are bound in the great river Euphrates.

And the four angels were loosed, which were prepared for an hour, and a day, and a month, and a year, for to slay the third part of men.

And the number of the army of the horsemen were two hundred thousand thousand: and I heard the number of them."

These "angels" are demon princes empowering the eastern kings of Islam for radical war, no matter the consequence, for him. Follow the Euphrates, and we will see the heart of the Muslim world.

The prophecy by the Mullah is both a battle cry and a trumpet sound that "Here is your chance!" to gain pleasure beyond imagination; while murdering the Jew we gain Heaven.

Jacob/Esau, Isaac/Ishmael; Jerusalem has always been the goal, and if this could take place successfully, then God's oath to Abraham will be null and void, and God Himself proved a liar. This is the greater goal of Satan and his little brother, Allah, the god of war. People are of little or no value to them, and only as they are useful for temporal service.

Re: How can dead people march? - posted by ginnyrose (), on: 2012/6/13 9:44

Ok, so you have millions deliberately putting themselves into harms way hoping to be killed. Well, dead people cannot occupy a country..if there are too many they may provide the buzzards with plenty of carrion to eat...Oh, gross!

In actuality, they expect a lot of resistance, littering their path with dead bodies - their own.

I am looking at this from a logical point of view, not Islamic or Biblical.

Sad.

Tragic.....Ginnyrose

It always is sad when an anti-Christ spirit invades humanity to deceive. It is one thing for Satan to know his damnation; it is another for him to be so passionate to take away so many with him.

"And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death.

Therefore rejoice, ye heavens, and ye that dwell in them. Woe to the inhabitants of the earth and of the sea! for the devil is come down unto you, having great wrath,

... because he knoweth that he hath but a short time.!!!

13 And when the dragon saw that he was cast unto the earth, he persecuted the woman which brought forth the man child."

Islam will turn out to be the mother of all deception..and in some countries, even writing this could cause a "Fatwah" against me; or those on this site; an order of execution.

It is now the largest religion on Earth, and growing...in numbers, and purity. It is developing into an ALL OR NOTHING fanaticism; Sharia Jihad. It's name means SUBMISSION and from the beginning, Mohammad rode "LIGHTENING", his magical WHITE HORSE....to conquer. Remember the crusades?...and the vast mounds of severed heads?

It is tragic and sad that so many will enter the grim underworld of Hades expecting a lustful Paradise. God has not lost nor can He, and He has no pleasure in the death of the wicked.

It is He who allows Satan to grant power to the beast Allah; THE PRINCE OF PERSIA. He, after being used, will be cast into the Lake of fire alive, along with the humans he used to conquer the Earth; the anti-Christ and this false prophet.

God knows those who are His, and has secured Heaven for them; and some of us will suffer in this soon coming day. We must trust and obey, and commit ourselves to His love, and promise.....and we will be fine.

There is a WORK of God happening now in the inner hearts of His Saints that is most profound, and very hidden. It is the Spirit of Endurance and Trust, that no matter the circumstance, sorrow, or price, Jesus will be honored in my life.

"Then shall they deliver you up to be afflicted, and shall kill you: and ye shall be hated of all nations for my name's sake.

And then shall many be offended, and shall betray one another, and shall hate one another.

And many false prophets shall rise, and shall deceive many."

....."But he that shall endure unto the end, the same shall be saved."

....."But he that shall endure unto the end, the same shall be saved."

If one of our beloved Grandchildren capitulated to Satan or Allah, and begged us to do the same; Would we?...our husband or wife?...our best friend? All we need do is deny Him, and bow the knee to the other.....or.....what if we see any of these tortured? or starving? or abused?

In the end we all will stand before the Lord Jesus Yahweh alone; no other may bare our faith, or our rebellion; It began intensely personal when you were born from above, and will end intensely personal upon your death.

This is where true faith really lies. Once the Lord spoke to me oh so clearly; "Do you REALLY want me?"

Re: Egypt has fallen. Muslim Brotherhood Morsi wins., on: 2012/6/27 18:47

The candidate below, has just won as President of Egypt. The Christian Community in Egypt, which has held refuge for 1900 years in different forms, the Coptic the most prominent, is now facing possible expulsion, or worse.

The new leader, Morsi, is a member of the Muslim Brotherhood, the mother of AlQuida and champion of Jihadist Sharia Law to perpetuate Allah's rule. The country's Foreign Ministry called Morsi's victory over his secularist rival Ahmed Shafik "an Islamic Awakening" and said the country was entering a "new era."

"According to a popular Egyptian website, the Muslim Brotherhood's Egyptian presidential candidate, Mohammed Morsi, has stated that Christians will be forced to "convert, pay tribute, or leave."

The Obama administration actively and subversely undermined Egypt's long time ruler, Mubarek, through a war effort fueled by the Muslim Brotherhood, all in the name of Democracy... as in Libya with Khadafi.

"A free, democratic Islam" and the rising Caliphate was named, "The Arab Spring". Egypt is now governed by Sharia, and as Turkey, will embrace it as governance, which is simply understood as Jihad; one committed to holy war as a means of salvation.

Israel is referred to as "The vampire", and in their eyes, all Christians are as bad or worse; less than vermin. Our illustrious President Obama called to congratulate Morsi on his win. I'll bet that he was truly thrilled.

To date, rulers have been forced from power in Tunisia, Egypt, Libya, and Yemen; civil uprisings have erupted in Bahrain and Syria; major protests have broken out in Algeria, Iraq, Jordan, Kuwait, and Morocco; and minor protests have occurred in Bahrain, Lebanon, Mauritania, Oman, Saudi Arabia, Sudan, and Western Sahara, as well as clashes at the borders of Israel in May 2011.

In neighboring Iran, a non-Arab country, protests by the Arab minority in Khuzestan erupted in 2011 as well. Jihadists at work in Syria blaming government. 14,000 dead., on: 2012/7/4 12:44

President Bashar Al-Shad is the last major dictator to stand, defiantly resisting the Muslim Brotherhood, and United Nations mandates to evacuate power. As the violence heats up, it is discovered that Al-Qaeda like groups are behind much of the mayhem, with Al-Shad being blamed for the slaughter.

This shows the true nature of Sharia Islam. The 14,000 dead Muslims are but pawns in the religion of murder as salvation. They figure they are with Allah anyhow, so violent death is a good thing.

When the Caliphate cements, and I think it will be soon, and when Pakistan falls or capitulates, they will have access to Nuclear weapons. Remember, they do not view their cities and country as material; counterattack means nothing to them; Martyrdom means everything and sacrificing your family and children is an honor in Holy war; Jihad!

As we speak, American warships are sailing to the Gulf, as Iran has threatened to close the Strait; and this over their Nuclear ambitions that are close to fruition. World wide War may soon be upon us.

.....
June 27, 2012: In this photo released by the Syrian official news agency, SANA, the damaged Ikhbariya TV compound is seen after it was attacked by gunmen, in the town of Drousha, about 14 miles south of Damascus, Syria. (AP/SANA)

A group that observes jihadist chatter on the Internet says that a new anti-government militant group has emerged in Syria and has claimed responsibility for dozens of deadly attacks.

The SITE monitoring group said late Tuesday that a shadowy group calling itself the Al-Nusra Front said in statements on jihadist websites that the attacks sought revenge against the regime of President Bashar al-Assad for killing Syrians.

Little is known about the Al-Nusra Front, and the statements could not be independently verified. The group has claimed past attacks in similar posts.

Syria's widening insurgency has raised fears that Islamist extremists are playing a larger role in the fighting.

One attack that the Al-Nusra Front claimed responsibility was a raid last week on a pro-government TV station that left seven dead.

An Associated Press photographer said the attack on the Al-Ikhbariya TV station in the town of Drousha, about 14 miles south of the capital Damascus, left bloodstains on the ground and bullet holes in the walls. The attack heavily damaged five portable buildings used for offices and studios.

Al-Ikhbariya is privately owned, but strongly supports the regime.

Last month, two Al-Ikhbariya employees were shot and seriously wounded by gunmen in the northwestern town of Haffa while covering clashes between government troops and insurgents.

Much of the violence that has gripped Syria in the uprising has been sanctioned by the government to crush dissent. But rebel fighters are launching increasingly deadly attacks on regime targets, and several massive suicide attacks this year suggest Al Qaeda or other extremists are joining the fray.

Anti-regime activists put the death toll in Syria at more than 14,000.

Be-headings and Crucifixions: Muslim Brotherhood Savage Acts in Egypt, on: 2012/8/20 14:19

The USA essentially financed and supported "The Arab Spring", including the overthrow of the dictator of Egypt, an American ally, Mubarak; and To date, rulers have been forced from power in Tunisia, Libya, and Yemen; civil uprisings have erupted in Bahrain and Syria; and protests have broken out in Algeria, Iraq, Jordan, Kuwait, Morocco and Sudan.

MORE protests have occurred in Lebanon, Mauritania, Oman, Saudi Arabia, and Western Sahara, as well as clashes at the borders of Israel in May 2011. In neighboring Iran, protests by the Arab minority in Khuzestan erupted in 2011 as well.

Weapons and Tuareg fighters returning from the Libyan civil war stoked a simmering rebellion in Mali, and the consequent Malian coup d'État has been described as "fallout" from the Arab Spring in North Africa.

The sectarian clashes in Lebanon were described as a direct result of the Syrian uprising and hence the regional Arab Spring....

Not only do we finance these political overthrows, we contributed arms and planes and various weapon systems to the radical Jihadists, many that we KNEW were of Al Qaeda level and the Muslim brotherhood status.

We had the power to stop every one, but we did not, but instituted a regime controlled by the Muslim brotherhood, or worse....and here is the shocker; at least to me.

WE STILL FINANCE THESE GOVERNMENTS, WHILE FULL WELL ACKNOWLEDGING THAT RADICAL JIHAD AGAINST AMERICA, AND ISRAEL...OUR ALLY.....IS AT THE FOREFRONT OF THEIR STATED AGENDA!.....WHY?

Here is some realities of a true anti-Christ agenda, as it parallels the New World order now being pushed down America's throat; and is at the height of terrorism's Ruthless endeavors to strike fear into ANYONE who will not bow the knee to

Allah. we support this; we endorsed their take-over.

Re: Be-headings and Crucifixions: Muslim Brotherhood Savage Acts in Egypt, on: 2012/8/27 12:45

I had always considered the New World Order to come out of Europe, and the old money/power bases of the Rothschild's and the Bilderberg group, the Illuminati, ancient Freemasons etc., and somehow powered and endorsed through the Roman Catholic Church.

This seemed to be typical with those who considered the reality of it's coming, as per the Beast prophesied; The World wide ruler; The Anti-Christ.

As time had went on, I have changed in my thinking. I now believe that the anti-Christ will be the Muslim Savior who will claim to be the incarnation of Mohammad/God himself, and will be accompanied by the mightiest prophet ever seen proclaiming his divinity, literally calling fire down from Heaven and invoking inanimate objects to speak.

God has ordained all of this as a method of attaining His pure and spotless Bride, and redeeming Israel as a part of her; according to His Holy promises to Abraham and Israel, and of course the Universal true church.

The White Horse; the conqueror: Islam and Allah; this is the seat of the anti-Christ, but I have had a harder time lately reconciling the whys and how's OF Communism/Socialism uniting with Islam as a political force could occur. Islam wants everything, Communism wants everything. Why would Communism and Islam ever ally up as one force?

This is what we are seeing today, and it appears to be very, very contrived; we are being set up, and it appears consciously by our politicians. We have entered into the age of the anti-Christ. Here are some ideas as to why Islam and socialism are uniting.

Glen Beck...

1. "Groups from the hardcore socialist and Communist left and extreme Islam will work together because they are both a common enemy of Israel and the Jew."
2. "Groups from the hardcore socialist and Communist left and extreme Islam will work together because they are the common enemy of capitalism and the western way of life."
3. "Groups from the hardcore socialist and Communist left and extreme Islam will work to overturn relatively stable countries, because, in the status quo, they are both ostracized from power."...Glen Beck

Why did America finance the Arab Spring? and hijack Mubarak, their president? Why did we empower the Muslim Brotherhood to enforce these world wide overthrows and revolutions?

We know that they hate us. They hate America and seek to murder us all; yet, we support and finance this power to our own destruction.

My question? Are our elected leaders involved in our own destruction in order to establish a world-wide Caliphate where some of them share the power? It seems they know what they are doing, and the only logical answer.

China and Russia are practicing secret war games together. They used to be sworn enemies. China and Russia have made treaties with Iran and Iraq and other oil powers in the mid east, and are sworn enemies of Israel. I believe that they

are preparing to strike America suddenly, and nuke every military base and ship of consequence, on American soil and abroad, and invade her in a weakened state.

At some time after that, Communism and Islam will become one, with one global monetary system under Sharia law....with a mark given to buy food, or water, or blankets...and we will have a new World Order...beneficial to only those who bow down and submit, while they confess that Allah is the one and only True god, and his only true prophet was Mohammad and that God had no son.

Many saints will graduate on that day as they behold their own blood for the last time, and meet Jesus on His Throne.

17 partygoers beheaded by insurgents in Afghanistan.

KABUL, Afghanistan — Insurgents attacked a large party in a Taliban-controlled area of southern Afghanistan and beheaded 17 people, officials said on Monday.

The official, Neyamatullah Khan, said the Taliban killed the party-goers for flouting the extreme brand of Islam embraced by the militants.

Ahmadi said all of the bodies were decapitated but it was not clear if they had been shot first.

The Taliban has controlled large parts of the district of Musa Qala, an area encompassing more than 100 villages, since 2001.

They enforce the same strict interpretation of Islamic law that was imposed on all of Afghanistan during Taliban rule of Afghanistan from 1996-2001.

Many Afghans and international observers have expressed concerns that the Taliban will try to re-impose strict Islamic justice as international forces withdraw.

Under the Taliban, all music and film was banned as un-Islamic, and women were barred from leaving their homes without a male family member as an escort.

Scores of Children Kidnapped in Bangladesh Being Trained for Islamic Jihad, on: 2012/8/28 20:14

This has been going on a long time, especially in N. Africa as the Jihad is sweeping south. Children, by the millions, are being taught the glories of martyrdom and war against the Jew and the American, the Great Satan herself: USA; the religion of murder, homicide/suicides, total disrespect of women, and children in the middle, to die gloriously for their demon god, Allah.

They are an easy target in India and Bangladesh, where this story originated. This shows the war that is coming, and the evil intent of the proprietors of it; The Caliphate under the supreme Caliph himself; the reincarnation of Mohammad himself, and our anti-Christ himself.

"Scores of Children Kidnapped in Bangladesh Being Trained for Islamic Jihad."

"At least 80 Christian children have been kidnapped from their homes by radical Islamic clerics in Bangladesh, sold to Madrasas and forced to convert to Islam, reports state.

According to the organization International Christian Concern (ICC), only 11 of the 80 children that have been missing for more than half a year have been located and rescued. After seven months of desperate searching, the parents of the missing children contacted the Hotline Human Rights Trust (HHRT) to request assistance in retrieving their sons and daughters, who were later located.

When questioned, the children testified that acts of physical brutality were practiced against them when they refused to pray, read the Quran or learn Arabic, and that they were placed under forcible circumcision.

Acts of physical abuse were evident on the hands of one young girl that was rescued after she refused to study Arabic for six hours a day and participate in Muslim prayers five times a day.

The location of the remaining 69 missing Christian children, believed to be held hostage by abusive and violent radical Muslims, is still unknown and the search is ongoing.

A group of radical Islamic clerics known as Mullahs have reportedly taken advantage of the lack of local schools at the remote areas of Chittagong Hills of Eastern Bangladesh in order to traffic Christian children for Jihad."

BEHEADING CHILDREN: a warning to those who resist Jihad and Sharia, on: 2012/8/31 13:54

Aug 31 (Reuters) - An adolescent boy and a young girl have been beheaded in two separate incidents in Afghanistan, local officials and police said on Friday, in the latest brazen attacks that have raised fresh questions about a splintering Taliban.

A 12-year-old boy was kidnapped and killed in southern Kandahar province on Wednesday, his severed head placed near his body to send a warning to police, said provincial governor spokesman Jawid Faisal.

The brother of the boy, neither of whom were named by officials, was a member of the Afghan Local Police (ALP), a U.S.-trained militia charged with making Afghans in Taliban strongholds, like Kandahar, feel more secure, Faisal said.

"It's a Taliban warning to the ALP and to others who support the government," Faisal said of the killing, which happened in Kandahar's Panjwai district.

Taliban spokesman Qari Yousuf denied the group was involved.

Separately, a 6-year-old girl was beheaded in eastern Kapisa province on Thursday, said provincial police chief Abdul Hamed.

"We are not sure if she was beheaded by her family or the Taliban, but we know the Taliban control the area," Hamed said.

id of the killing in Jalukhil village. He added that he could not send investigators to the area out of fears for their safety.

The murders follow the shooting or beheading of 17 young revellers attending a party in southern Helmand province this week, which officials said was the work of the Taliban, a charge the group also denied.

I agree exactly.

The longer I study Revelation the more unease I sense about this issue. I, too, have concluded that Muslims will figure p redominately in the end-time events.

Thirty+ years it ago it was the Communists we feared because they were ruthless, or so it seemed. Preachers were decl aring they and the Catholics will be in cahoots to bring about a one world government. It may still happen, but there is an other power that gives me pause for concern.

The method of execution of the commies were shooting. For Nazis it was gassing. The Muslims? Beheading. Oh. Oh. R evelation talks about beheading being used in the end-times to execute. This method of execution has not been the met hod of choice in many years but it appears to be changing. This is making me sit up and take another look...

America financed the "Arab Spring", which has strengthened the hand of the Muslim Brotherhood immensely, and today, they blatantly war and attack anything American. In Cairo, the embassy Walls have been breached, and the American fl ag replaced with a Muslim one.

Mainly ultraconservative protesters climbed the walls of the U.S. Embassy in Egypt's capital Tuesday and brought down the American flag, replacing it with a black Islamist flag to protest a U.S.-produced film attacking the Prophet Muhamma d. Hours later, armed men in eastern Libya also stormed the U.S. consulate there and set it on fire as anger spread.

It was the first time ever that the U.S. Embassy in Cairo has been breached and comes as Egypt is struggling to overco me months of unrest following the ouster of Hosni Mubarak's autocratic regime. U.S. officials said no Americans were re ported harmed in the assaults in Cairo or the eastern city of Benghazi.

The unrest in Cairo began when hundreds of protesters marched to the downtown embassy, gathering outside its walls and chanting against the movie and the U.S.

"Say it, don't fear: Their ambassador must leave," the crowd chanted.

US embassies in Algeria, Tunisia warn of protests

Published September 12, 2012

Associated Press

ALGIERS, Algeria — The American embassies in Algeria and Tunisia warned of more protests Wednesday, following attacks by protesters in neighboring Libya in which the U.S. ambassador and three embassy staff were killed.

Ambassador Chris Stevens and the three other Americans died in an attack on the U.S. consulate in Benghazi by armed protesters angry over a film by a California filmmaker that ridiculed Islam's Prophet Muhammad.

In an emergency message, the embassy in Tunis warned Americans to avoid crowded places, saying that even gatherings "intended to be peaceful can turn confrontational and possibly escalate into violence." The embassy in Algiers had similar advice.

Now Yemen...Riots across the "Arab Spring" against America., on: 2012/9/13 7:00

SANAA, Yemen — Protesters angered by a film they consider blasphemous to Islam have stormed the U.S. Embassy compound in Yemen's capital, Sanaa, in the most recent attack on U.S. diplomatic posts in the Middle East.

The Associated Press reports the protesters reached the embassy's grounds but did not enter the building housing the offices. Once inside the embassy, the mob tore down the U.S. flag and burned it. Before storming the compound, the demonstrators removed the embassy's sign and set tires on fire.

It was similar to an attack on the U.S. Embassy in the Egyptian capital of Cairo on Tuesday night. A mob of Libyans also attacked the U.S. consulate in the eastern city of Benghazi on Tuesday, killing American Ambassador Chris Stevens and three other Americans.

This is the film that outraged the entire Arab Spring. I believe it sub-consequential to the motives of the Muslim Brotherhood and unified Al-Quida groups, who benefit from Chaos in general, as they spew the murderous fanaticism of true Islamic devotion: "KILL EVERYONE WHO WILL NOT SUBMIT!"

Otherwise, they saw an opportunity and jumped on it...to further their cause of Worldwide Islamic Supremacy.

The initial YouTube link was about the Russian 'girl band' with the offensive name 'P___ something' (disgusting in it's own right). It showed filthy images of the band at work.

Next it talked about a link between muslims and the Eastern Orthodox Church in Russia.

We saw nothing to inflame muslims, it did upset us, however.

We followed a link to another video that was supposed to be about the Innocence of Muslims. That seemed to be uplifting their prophet.

Thank you white stone for clearing up the issue of what the link was actually going to. I did not watch the you tube video from the link Brother Tom shared all the way through. The first images I saw were vile so I clicked it closed. I know I asked about the movie but I regret it now. I'm sure when Tom realizes its content he will deal with the link and edit his post.

It seems the movie never did have anything to do with this attack. It was just a cover so that some could murder innocent people.

What is the meaning of Jihad, and the faith behind it? , on: 2012/9/16 5:55

Jihad, or Holy War to the Muslim has a reason, a mission, to bring every one on Earth under it's cruel boot. This is the banner of Islam, and always has.

"NO GOD BUT ALLAH, AND MOHAMMED IS HIS PROPHET!"

And it's desire is that either you submit, or you die...and is at the heart of what terrorism actually is all about. This is inspired with deadly violence, and embodies the spirit of Anti-Christ itself. Prepare your hearts to stand for Jesus, and ask the hard questions to yourself; Am I prepared to meet my maker?...and to honor Jesus fully until that day?

Re: The Other Side of the Story, on: 2012/9/17 17:08

In 1979 there were less than 500 believers in Iran under the relative freedom of the Shah. Then Persia enjoyed relations with the west and was considered a western ally. But in 1979 an Islamic revolution took place and Iran became an Islamic country ruled by Sharia. The west became the Great Satan. Observers said Christianity was dead in Iran.

Praise God he delights to prove the observers wrong. From 1979 to 2012 the gospel has grown by leaps and bounds in Persia. A house church movement has risen that emulates that of China. Estimates range from the number of believers being 100,000 to 1,000,000. Voice of the Martyrs estimates that 500 to 1000 New converts come to Christ daily. Through the internet, Sat TV, smart phone, one on one contact, dreams and visions, etc. The gospel is going forth in Iran.

Most of the young converts are in their 20's or 30's. Many have come out of the oppression of Islam and political repression. They are finding true freedom and joy in Jesus. They meet in small house fellowships. Many are persecuted, some even tortured and martyred. But the gospel still goes forth in Iran.

The gospel is making such inroads into Persia that the religious and political leaders are worried. The demonic prince of Persia sees he is losing control. But Christ is victorious over Iran.

Iran is just one example of the gospel impacting Moslem countries. There are other stories. Jerry Trousdale documents some of these stories in his book *Miraculous Moments*.

I share this to suggest there is another movement taking place in Islam and it is a gospel movement. In the end it will be

e Christ who is victorious. And I would put to you. This is the other side of the story. Because it is HIS STORY. Hallelujah!
