The government continued its war against the Ramat Migron outpost in northern Samaria Saturday night as police violently expelled approximately 10 residents.

Border Police used extreme violence against the residents, including a young couple who married only several weeks ago, after they refused or were unable to show a court order authorizing the middle-of-the-night expulsion.

“Netanyahu and Aharonovitch have turned the residents of Judea and Samaria into a punching bag for the ‘legal’ authorities, said National Union Knesset Member Dr. Michael Ben-Ari, referring to the Prime Minister and the Public Security Minister Yitzchak Aharonovitch.

Tatzpit, which reports on activities in Judea and Samaria and focuses on police actions that are illegal, said that Border Police surrounded the building at Ramat Migron while back-up forces were deployed on nearby Route 60, the major north-south highway in Judea and Samaria, to prevent supporters from arriving to the outpost.

The police broke down the door to the building and burst in, forcing out a family and as well as six other residents who were at the outpost at the time.

The government has carried out dozens of midnight raids on Ramat Migron, which usually are immediately followed by the residents’ rebuilding the homes.

Remove the beam from thine own eye. . .

My suspicion is that this is similar to a 'hit piece' written by the Democrats about Sheriff Joe. I do not feel it is edifying to the body of Christ.

Re: Any criticism of Syria etc? - posted by docs (), on: 2012/6/17 13:22

Syria is presently butchering its own people by the hundreds and even thousands, including women and children, and Iran has called for the genocide of the state of Israel. Though not always right in all they do, Israel's misdeeds are many times magnified far out of proportion to their actual severity while their neighbor's atrocious misdeeds are many times ignored. Is there anything antichrist like regarding Syria's present behavior or Iran's call for Jewish extermination?

Re: , on: 2012/6/17 13:54

Whats happening in Syria is the continued radical islamist revolution that has been going on for awhile now. The Third Jihad. Any Leadership that co operated with the US is being taken down. Tunisia, Jordan, Egypt Libya now Syria. The goal is Islamic Caliphate Sharia Law.

Re: , on: 2012/6/17 14:29

So when the government harasses Jewish people it's Anti Christ, but when the same government is tearing down Palestinians homes it's justice.

<http://www.israelnationalnews.com/News/News.aspx/156822#.T94hMIJnXSk>

So far I see nothing that is Anti Christ about what the government is doing in Ramat Migron.

Please enlighten us or at least me as to what is Anti Christ about all this?

If more Christians were doing what the Lord instructed, spreading the Gospel and bringing in the lost sheep, and not spreading fear and more doom and gloom, the world would be a better place to live. Yes we are a mess! <http://epistle.us/articles/christianmess.html>

When we have pulled away from spreading the "Good News" the Gospel of Jesus Christ, to spreading fear, whats next? the sky is falling!

I understand what you are saying, however, you misunderstand me; what i was getting at is the belief (which has great scriptural support) that the AntiChrist will in fact be a JEW. I just assumed that everyone here knew that. What is the reason for assuming this? Judas, the Son of Perdition, was also a Jew, AND more importantly: the Jews will never accept a (false) Messiah unless he is a Jew; every Jew knows and believes that the long prophesied Messiah is supposed to be a Jew. They bypassed the right Jew (Jesus) and are still looking for the wrong one (the AntiChrist/false messiah).

No, i am not saying that Netanyahu is the Antichrist or villifying Jews/Israel, i am only saying basically that if the Jewish government is already doing THIS, while the tree is green, what will they do when it is dry?? If they (meaning Jewish GOVERNMENT powers)are already throwing people out of their homes by force IN THE MIDDLE OF THE NIGHT UNDER COVER OF DARKNESS what will they do next? This is in no way an indictment against the Jewish people, i am only tal

king about the government authorities....the same kind of government that came and illegally arrested Jesus by night under cover of darkness.....

"Trekker",

to rely on Arutz Sheva for information, is folly.

to call Bibi Netanyahu, and the IDF this and that, or whatever you termed them is childishness, and you really don't have a full appreciation, of the times that both Israel as a nation, and the IDF as defenders are in right now.

and the LAST thing they need, is to defend and babysit 10 hilltop settlers, who should go relax for a while in Mea Sharim , or put on a uniform, pick up a rifle and man the walls. its foolishness.

The IDF is coiled and readying a full spectrum assault on Iran's nuclear facilities, which will tax the army, navy and air force beyond measure.

also, you have the America's doing 'something' in Syria, and at anytime Assad could decide the walls are coming down, and unleash the most dread chem and bio weapons at Israel.

plus, we now have Russian special forces headed for their main Mediterean naval port at Tartus Syria.

Egypt is coming completing unglued, so now the IDF has to station MORE units from Southern Command in the Negev, that would be north joined with Northern Command, where they are desperately needed....so this nonsense is just that, nonsense, childishness, and arutz sheva and INN, should be ashamed of themselves, and unless you are Jew, they would take one look at you, and bounce a brick off your head.

Now arutz sheva plays some great Carlebach music, they should stick to that, and let the grown ups take care of grown up business, like defending our tiny nation, in the face of a horde of muslims bent on Jewish blood....

"the antichrist will be a Jew"...oh please, another one of your kind. Will you kittim every just leave us alone?, and quit murdering, raping and slandering us?.....

ps...just so you dont believe the lie, that i "hate" you, which would be a lie, here;s some background from Frontline, entitled "Israel's Next War"...its good, neil

Hi, I would like to state that all of this is really being concerned with Flesh and Blood in which Ephesians Chapter 6 states that our struggle is not with these. We should not as the body of Christ be overly concerned by these things. Wars and rumours of wars will happen. We must be concerned with the work of God and Christ's kingdom.

We also ask that these articles and thoughts not be posted in these forums with this mindset. There are plenty of websites that have these sort of articles that are very concerned with physical america, etc.

These forums are to be a place to be concerned for the body of Christ and to pray for leaders and nations but not to be concerned for them as we should the testimony of our Lord.

The Lord will sovereignly allow kings to fall and kings to rise. We must pray for the Gospel to spread.

Re: , on: 2012/6/17 20:02

What is happening in these countries is a concern to the body of Christ. Last week all Christians in a particular town in Syria were ordered to leave in one week. In Egypt churches are being burned and our brothers the body of Christ are being persecuted.

This conference in October is about what's happening now in the Middle East to our brothers and sisters. We can learn a lot from what they are going through.

So if this starts happening in America and we can still post are we not able to say specifics of who is doing the persecuting?

Re: - posted by sermonindex (), on: 2012/6/17 20:16

Brother,

I wrote my response on thread to simply say that we are not to demonize or speak evil of governments. For instance the early Christians were not slandering and speaking evil of Nero they realized he was a wicked man and prayed for him and His conversion. Such is the spirit of Christ. But nowhere in the New Testament is the Roman emperor spoken of as evil rather he is prayed for Romans 13, etc.

The body of Christ as I stated is not to be concerned even about the freedom of religion in a country rather the spread of the Gospel of Christ.

Christianity is and never will be meant to rule countries or control powers. It is a kingdom not of this earth and its king is the Lord Jesus Christ. All religions that control governments and use that position to promote their ideals is not the true religion of Jesus Christ.

here is my post again to be considered:

Re: , on: 2012/6/17 20:29

Well(edit add, "please") do not use my post as saying I was demonizing rulers. I was actually sticking up for Assad of syria and Netanyahu. The others on this thread were demonizing them saying they are slaughtering their own etc.

Our Christian brothers and sisters in these countries were surely praying for the leaders. They had enjoyed a relative peace under egypt's Mubarak for example. Then radical jihadists declared that they would take down these rulers.

Quite true. One of the two beasts in Revelation will almost certainly be a Jew. He's going to try and counterfeit Christ in every way possible.

Talk about adding to scripture what is not there. Please site your sources that the anti-christ is Jewish. If you cannot, then all you are doing is bearing false witness against the Jewish people.

If you believe that you have the corner on who the anti-christ will be, then it is very likely that you will be one of the elect that are deceived, if possible.

Re: - posted by EverestoSama, on: 2012/6/18 0:38

Do you really think the Jews are going to follow a promised messiah that is anything but Jewish? Not likely. History has shown us this already (Google Jewish Messiah claimants for starters).

The study of Anti-christ is exhaustive to say the least. I can give you some material if you'd like and I know many good places to start, but I can't just say, here's a verse to show that one of the beasts (there are two, and I'm only saying one) will more than likely be a Jew, in the same way that I can't just site a verse or two to say, here the Bible clearly affirms the Trinity (by definition, although we know the evidences are there). It would take pages and pages, and hours and hours. This may seem like a cop out, but like I said, the study is EXHAUSTIVE, and can't be answered with just a "well here's o

ne verse here." It's all in the Bible, but we'll have to dig some.

If you'd like sources, I can point you to some good ones, and good places to get started, however I think neither Trekker nor I, have stated we know who the Anti-Christ is or have any "corner" on anything, though through historical pattern we've seen his marks already. The anti-Christ has had patterns all throughout Scripture (both new and old testaments) that have shown his spirit and his nature, just like Christ had (as Trekker pointed out, Judas is a major type of the anti-Christ). No one is claiming to know who it is, we're just saying it's wise to be aware of patterns in Scripture.

Also, all I'm stating (as said before) is ONE of the two beasts from Revelation will almost certainly have to be Jewish for the Jew's to accept him. His job will be to deceive the Jews for the time of Jacob's Trouble mentioned in Jeremiah 30.

Just for fun, look up Simon bar Kokhba a bit in light of John 5:53. Interesting study on a false messiah (anti-Christos) and false prophet (Rabbi Akiva) pointing towards the final fulfillment in THE anti-Christ. Likewise, I was once unaware of this stuff myself, so I understand the backlash, as it's probably how I would have responded as well. It's time we start educating ourselves in His Word.

If anyone is curious about the study in detail, shoot me an email (it's in my profile) and I can hook you up with some strong scriptural material that goes much deeper into this, but it is a big study.

Checkout Revelation 11 and note verse 8:

"8 And their dead bodies will lie in the street of the great city which mystically is called Sodom and Egypt, where also their Lord was crucified."

This verse pinpoints the location of the events that are described in the rest of this chapter.

The writer of this may have another reference in mind but this is what I first thought of.

I know plenty of Jews (by blood, I.E. natural branches like yourself) who believe the same as Trekker, so don't even try that "You vs Us" card.

Your statement however was one of the ugliest I've seen around here for a long time. I would seriously consider repenting from that poison you just spit at your brother/sister (sorry Trekker, I'm not sure of your gender) whether or not you agree with his/her assumption about the anti-Christ. You've accused them of something far worse than they've stated. Absolutely disgusting on a Christian forum.

Re: - posted by Miccah (), on: 2012/6/18 13:03

Respectfully, all I have been reading so far is inference, with maybe a small bit of hyperbole.

I have done a little bit of studying of the scriptures myself, and I have come to the conclusion that the only fact that we have, is that we do not know who the anti-christ, or the beast will be. Scripture is silent on who they will be.

Can I be wrong? Sure. Yet as long as scripture stays the same and does not change, I will continue to keep a watch out and not close any door on who the anti-christ may be.

When the anti-christ comes, I pray that I will have eyes to see, and wisdom to know.

Blessings.

Re: , on: 2012/6/18 14:10

EverestoSama is right-on target.

John 5:43 I am come in my Father's name, and ye receive me not: if another shall come in his own name, him ye will receive.

Yes, every word he's posted on this previous page is right on the money.

The problem with the AC claiming the seat and lineage of David is that he'll actually be of the synagoge of Satan Rev 2:9.

There's an entire bloodline that have claimed the lineage of David that are sitting in most seats of global power.

Just because my father's mother that raised me was a true Jew and that makes me one - that gives me zero advantage over non-Jews. I as well as she, needed to be "grafted in" to the true Olive tree.

It was very strange to me, that when I first got saved-saved, and was so wet behind the ears as a baby in Christ, that The LORD spoke VERY loud to me directly Rev 2:9 & 3:9. That was over 36 yrs ago, and to this day I still shake when I hear those verses. You guys don't know me but if you met me, you'd see how unlikely of a candidate I'd be to "fight" anyone. I sound and present as a very timid person and to think that He would say to such a mess as I that I would go head-on with the-powers-that-be in those verses - well - yes, that could tend to make the flesh shake - but the spirit is willing - to the death.

Grant, is there any way that you could possibly post what you'd email folks - because I don't have access to emails with my computer and can barely get to using Dad's.

BTW - did you get that storm that was headed your way? We were praying it would fizzle out.

Blessings!

Oh, side note - I also canceled my cellphone - so I have no way to call long-distance but if anyone wants my landline # - Maybe one of the sisters could email it to you. It's the phone # that starts with an 8.
THANKS!

Re: , on: 2012/6/18 14:28

Adding: I don't know if this is very well known, but those that claim the lineage or seat of David are not all Jews - but those that are of the synagogue of Satan - it doesn't matter to them if the main powers-that-be call themselves Jews or practice Judaism - but just that they 'claim' that their lineage goes back to David's throne.

'The bloodline' is all that matters to this power elite - though the bloodline can be considered counterfeit.

Ma Ma Mia - talk about "weird" - now those occultists are the 'weird' folks -- not the Sheep posting on here.
