

Welcome & Intro :: Hello...

Hello... - posted by Bruno, on: 2003/9/17 14:19

Hello all. I am obviously new here. I was searching mp3 audio sermons on a search engine and came upon this site. I am currently narrating Arthur Walkington Pink writings in MP3 format which I will compile to a CD. Anyway, hello and greetings.

Do you have a website for this? I would possibly be intrested in getting those recordings on SermonIndex for free distribution depending on the quality. Let me know brother.
