Wasn't prepared for this just yet. Thank you for telling us.
Surely am praying for their family. So sad, I'm truly sorry for their and our loss.
If anyone has anymore details - would appreciate any.

We are praying for the Wilkerson family and the ministries that they were a part of.

So saddened by the news. Our thoughts and prayers are with the Wilkerson Family. We take comfort in knowing that For Gwen to be absent in body is to be present with the Lord!

So difficult for those in mourning, but imagine the great joy Mrs. Wilkerson is experiencing seeing her Lord and her husband!
