NEW email address for this ministry! - posted by sermonindex (), on: 2003/9/17 16:41

I have had a few troubles making email work effiecently and it was becoming a problem because I am spending way to many hours :-o a day just doing email! because of multiple addresses and also the mechanism of how I had to log in etc. now its easier so don't hesitate to email me with questions, comments, etc.

The new email is: sermonindex@msn.com

also if you want to contact me via messenger my name is: Greg and the MSN Messenger contact address is: sermonindex@msn.com

Just to let everyone know that the new email address is working great. I am using MSN8 which has great junk mail filters . Drop me a line and let me know if there are any improvements or ideas that you want on the site, I am always open to suggestions. ;-)
