Daily Readings with Basilea Schlink - July 20 - posted by sermonindex (), on: 2012/7/20 8:58

God the Father is greater than all. What a wonderful assurance! His love is greater than all human love and all human willingness to help. The help which He can offer is greater than your difficulties.

His forgiveness is greater than your burden of sin. And because God the Father is greater than all, He is also greater than any calamities that may yet come. In every hardship say, 'Father, You are greater than all.' Then you will experience the reality of these words.

John 10:29
